

DEAL at PROSPEX 2007

You are invited to a presentation on:

Using **DEAL** to prepare a Licence Application

The DEAL team will demonstrate how to use DEAL to:

- view licences on offer
- view current licences and licence histories
- access environmental impact data
- access well and seismic survey data
- locate adjacent infrastructure (pipelines, platforms, manifolds, etc.)

The demonstration will be followed by an open Q&A session on current and future DEAL functionality.

Visit BGS on **Stand 2** for an invitation and more details
