

Wednesday 12th – Thursday 13th May 2010
Aberdeen Exhibition & Conference Centre

ABSTRACT DEADLINE APPROACHES

Abstracts for presentations & posters are sought on the theme:

“Recovery: Everyone Plays a Part”

DEVEX is now in its 7th year and has built a reputation for high quality presentations showcasing the state of the industry in the North Sea and beyond. Most of the major operators and service companies will be represented. Don't miss this excellent opportunity to share learnings and find out what is going in your industry.

This year's theme is around integration. We welcome presentations (which need not be formal papers) and Posters from all disciplines ranging from geotechnical to commercial. Case Studies form an integral part of DEVEX's ongoing success and are especially welcome.

Areas of particular interest include:

- Reservoir Management Case Histories
- Initiating IOR and EOR Projects
- Novel Technologies – Risk or Opportunity?
- The Challenge of Small Field Developments
- European Focus (Non-UK Assets)
- Breathing life back into Mature Fields
