A Word from the Chairman...

NICK TERRELL

Following a strong showing last year PROSPEX continues to deliver. It provides an excellent forum to promote and showcase exploration opportunities in the UK and adjacent areas. Given its attendees and programme, PROSPEX is also a great opportunity to network and catch-up with friends old and new.

There is no doubt that the industry current faces significant challenges, especially regarding 'discretionary' exploration spend. Despite this, UK exploration commercial success rates have been the highest for over a decade, and in 2015, the UK delivered the same volume of new resources through the drill-bit as Norway (Hannon Westwood). All the more reason to book your place or booth at this year's prospects fair!

I much look forward to seeing you all at PROSPEX 2016.

The Oil & Gas Authority and PESGB are pleased to bring you the 14th show in the highly successful series of Prospects Fairs: the UK's leading networking event for exploration and development.

PROSPEX provides a venue for announced Promote Licensees, oil & gas companies and governments to market their prospects and meet with potential investors to facilitate the deal making process.

It offers a contextual overview of licensing activities and related topics for the UKCS, onshore and surrounding areas and creates a "hot spot" by bringing together interested players to help advance the value chain from "Prospects to Production."

Why Exhibit?

- Promote your licence opportunities through "Prospects to go" and through the Exhibition
- Make deals with the right people
- Exhibit side by side with the majors on a level playing field, where small independents and large corporations can attract the same audience

Why Attend?

- Network with key stakeholders and business leaders - make new contacts and socialise
- Stay abreast of new Licences and evaluate possible prospects
- Learn about licence case studies and experience the industry view from regulatory bodies such as Oil & Gas UK
- Get the UK Government perspective on UKCS and Onshore and hear surrounding governments' overviews of their regions

Why Sponsor?

- Promote your company to your target market and get your brand noticed in the PROSPEX network
- An inexpensive way to advertise your company in the PESGB Magazine, on the PESGB website and at the show itself
- Align your company with the Oil & Gas Authority and the PESGB

Previous Sponsors have included...

PROSPEX offers a truly first-class, cost-effective annual occasion for us to exhibit opportunities that we have to offer to third parties as well as an excellent forum both for networking with peer-group companies, regulatory bodies, and contractors, and for establishing new contacts with potential industry partners.

Egdon Resources

The key business event for UK exploration and explorers, PROSPEX gives us the chance to show our own exploration prospects and evaluate new opportunities. It is a good place to do business – all the key stakeholders in one place for 2 days.

Maersk Oil North Sea UK Ltd.

PROSPEX is the industry benchmark conference, where you meet all the right people

The PESGB, through their two-day PROSPEX conference, does a great job of bringing together a large number of exploration companies that are active both in the UK and worldwide. The event exposes delegates to opportunities that they might otherwise not be aware of, along with the chance to discuss them both technically and commercially. As a booth-holder there are also plenty of opportunities to network with delegates as they wander around the event in between talks.

Atlantic Petroleum UK Ltd.

A yardstick for activity within a region

The show always has a buoyant and optimistic mood

PROSPEX is a great environment to meet everyone and anyone to do with UK exploration and catch up with the latest ideas and data. Being clearly focussed on prospects and prospectivity means everyone is there for the same thing – new ideas and thinking with respect to the UK Oil & Gas Industry.
